

## A Note on Results and Other Ramblings

**Please note that the results are calculated based on relative finish order and not time. The times are calculated from when a riders number is entered into the computer versus when the race was supposed to start. There is some human error in this process. The times do not in any way effect the order of the finish.**

### **Other Notes:**

**There were a couple photographers at the race and photos can be found at the following:**

Carl Mesta Photography – photos are up - [www.mestaphotos.com](http://www.mestaphotos.com)

Blue Sky Photography – photos should be up end of week - [www.blueskyga.photorelect.com](http://www.blueskyga.photorelect.com)
